

2024 NWCA SPONSORSHIP

Without the support of our business sponsors what we do could not be possible. Every donation dollar is valued and any denomination can be donated and accrued throughout the year. Join us as a proud sponsor and gain recognition at various levels – Bronze with a \$250 donation, Silver with \$500, Gold with \$1000, and Platinum with \$1500+!

Your sponsorship will be showcased in our monthly newsletter – reaching 600+ residents, at local events, and on our website to ensure that community members are informed about the financial assistance and opportunities you have made possible. Funds collected through events, membership drives, and the generosity of our sponsors stay within the Westside and help to improve local resources, support community groups, and youth activities.

Benefits and Rewards
